WORLD CINEMA LIKE  
VENICE.

We will step into the glamour, artistry, and cinematic innovation of the **Venice International Film Festival**—the world's oldest and one of the most prestigious festivals in global cinema. Talk Cinema Travelers are invited to join our exclusive experience.

Soak in the atmosphere along the Lido and be among the first to discover **major premieres** that will define the year in film. Accommodations are located a vaporetto ride away from all the festival action and festival accreditation.

This is the ultimate way to experience Venice—not just as a tourist, but as a witness of cinematic history unfolding.

Talk Cinema travels to Venice in cooperation with **Take2Film**. Founded by film festival veteran **Julie Sisk**, creator of the Insider Cannes program and founder of The American Pavilion at Cannes, Take2Film provides insider entrée into some of the world's most prestigious film festivals and fun destinations.
